Exhibit to Uniform Memorandum of Exchange Specific Requirements of German Multi-District

When we check a box, this means that our Multi-District agrees to conduct the exchange according to the statement that follows. Sentences that are **highlighted** in Section A are Rotary International requirements. The box for these sentences must be checked and the commitments made in the **highlighted** sentences followed to comply with Rotary International requirements.

A. Foundation for Exchange. Because we are a multi-district, many commitments we make will be carried out by a member district. If you feel that our member district is *not* carrying out a responsibility under this agreement, please advise a Multi-District contact for the exchange. The word “we” may refer to our Multi-District, a member district, or both.

- Assignment of your student to member district.** We will assign your student only to a member district certified to host exchanges. We will promptly inform you if the certification status of the member district to which your student is assigned changes.
- Qualification of outbound student.** Each outbound student we send to you will meet Rotary International certification requirements for sending an outbound student.
- ~~Honoring our commitment to host. Our Multi-District will honor our obligation to host all the~~
