9. Student`s Letter

I am Martin, 15 years old and I live in a small city close to La Rochelle and Ré island (around 15 min by car). La Rochelle is a charming touristic place with important nautical and university activities with the biggest marina in Europe. With the surroundings, it has approximately 100 000 inhabitants. I have two little sisters, Aimée, 13 years old, and Maud, 10 years old.

I live in a big house which I share with my family. I have my own room and bathroom. In addition to our respective rooms, we have a guest bedroom. I like to study in my bedroom especially with my cat. Both of my parents are teachers. My father teaches music and my mother is responsible for the school library and teaches drama. My house is 15km far from my school but it takes 40 min by bus to get there.

During the week, I usually wake up at 6:20 am, I go to school by bus. At midday, I take a lunch at school. In the evening, I come back by bus. At 7 pm, I have the diner with my family. As many French students, I start school at 8:00 am and generally finish at 5:00 pm. I have 13 school subjects : Mathematics, Physics and Chemistry, Global sciences, French, History-Geography-Geopolitics, History and Geography, History in English, English Literature, English, German, Sport, Moral and Civics Education, Law and Society.

Most of the school subjects above are mandatory, the ones I chose are Mathematics, Physics and Chemistry, History-Geography-Geopolitics, History in English, English Literature, Law and Society because my main school interests are Sciences, English and Geopolitics. I have been part of a scout group since the age of 7. I have been a team leader for four years. I am a class delegate.

My main qualities are sociability with very different persons, dynamism and curiosity. Concerning my weaknesses we can say that I am impatient and stubborn. Except for Brussels sprouts that I can barely smell and spell, I eat varied food and like discovering new ones. I travelled a lot with my family in varied countries : I went to England, Canada, Italy, Danemark, Sweden, Portugal, Germany and Morocco. Three years ago I did an exchange with a German student for one week. I am very curious to discover new countries and cultures around the world. We often go to Paris where my grand parents live, we also go to Brittany in a family house during summer. Eventually, we like to visit different places in France.

For the moment I don't have a precise project for my future because I'm interested in many things, but I think that I will study science.

I am motivated to go on this exchange because I think it is a great experience to be immersed in a family to discover a new culture throughout human relationships. It will help me to improve my English skills in communication. Furthermore, I would love to discover new places and landscapes. Finally, it would be a pleasure to share with a foreign student the things that I like in my life in France. This enriching experience will probably help me to get more mature.

10. Parent`s Letter

We are a five people family. Martin, our elder son(15 years old), has two sisters : Aimée (13 years old) and Maud (10 years old). We are both middle school teachers, Music on one hand, responsible for the school library and drama on the other hand.

According to us, it's very important to discover another country and another culture. We think that an exchange with a foreign student of his age, in a family, will help our son to widen his mind, improve his communication skills, promote his autonomy. Hosting a foreign student will also encourage Martin to share his hobbies and help him consider someone else's needs.

It's important for us, to promote our children's autonomy and while ensuring their security. Thus we let Martin joins his friends by bus or by train, for his activities of his own as sport or spend time out. If any problem occurs, we are quite confident because Martin is a pragmatic boy that analyses the situation and looks for concrete solutions. He learns autonomy and responsibilities through scouting since he was 6 years old. With scouts, every year, he goes three weeks on a camp sharing activities and housework with the community.

As parents, we are proud of his state of mind and his sociability. He is an easy-going person, very curious, interested in many things such as nature, sciences, geopolitics, sports and DIY. Martin knows what he likes or dislikes and easily says it in a direct way. When the parental decision is firm, he accepts it even when he disapproves it. Accepting frustration has been a learning skill when he was a child and now, he easily accepts it when rules are clear.

Martin is a quite mature boy who understands events with hindsight, besides he appreciates discussing or doing things with adults. We talk every day on very various subjects, about home or news in the country or abroad. When we visit a museum or a country, we enjoy sharing our observations.

As Martin is the elder boy, he likes giving advices or showing what he knows to his two sisters, cooking with one, playing outside with the other. Of course, there are few arguments, but it doesn't last so much. Martin has many friends, he likes to have them at home or to go out with them.

We try to find a good balance between personal activities and shared family time. We like visiting places such as towns, museums and going abroad with our children, we enjoy walking or biking all together in the countryside. We share family meals, especially the diner, promoting lively discussions.

Martin has already done an exchange, organised by the middle school, with a German student, one week in each family. It was a good experience for both students and their family.

We hope to find a good match with another student to apply what seems so exciting to develop in a family exchange.

Short Term Exchange Program – Family to Family (F2F), Camps & Tours (C&T) Rules and Conditions of Exchange, Permissions and Declarations

As a Youth Exchange student sponsored by a Rotary club or district, you must agree to the following rules and conditions of exchange. Violation of any of these rules may result in dismissal from the program and immediate return home, at student's expense. Please note that districts may edit this document or insert additional rules if needed to account for local conditions.

Rules and conditions of Exchange

1. You must obey the laws of the host country. If found guilty of violating any law, you can expect no assistance from your sponsors or native country. You must return home at your own expense as soon as released by authorities.
2. You will be under the host district's authority while you are an exchange student and must abide by the rules and conditions of exchange provided by the host district. Parents or legal guardians must not authorize any extra activities directly to you. Any relatives you may have in the host country will have no authority over you while you are in the program.
3. You are not allowed to possess or use illegal drugs. Legal medications that are prescribed to you by a physician are allowed.
4. The illegal drinking of alcoholic beverages is expressly forbidden. Students who are of legal age should refrain. If your host family offers you an alcoholic drink, it is permissible to accept it under their supervision in the home. Excessive consumption and drunkenness is forbidden.
5. You may not operate a motorized vehicle, including but not limited to cars, trucks, motorcycles, aircraft, all-terrain vehicles, snowmobiles, boats, and other watercraft, or participate in driver education programs.
6. Smoking is discouraged. If you state in your application that you do not smoke, you will be held to that position throughout your exchange. Your acceptance and host family placement is based on your signed statement. Under no circumstances are you to smoke in your host family's bedrooms.
7. Body piercing or obtaining a tattoo while on your exchange, without the express written permission of your natural parents, host parents, host club, and host district, is prohibited, for health reasons.
8. Limit your use of the Internet and mobile phones, as directed by your host district, host club, and host family. Excessive or inappropriate use is not acceptable. Accessing or downloading pornographic material is expressly forbidden.
9. You must have health and accident or travel insurance that provides coverage for accidental injury and illness, death benefits (including repatriation of remains), disability/dismemberment benefits, emergency medical evacuation, emergency visitation expenses, 24-hour emergency assistance services, and legal services, in amounts satisfactory to the host Rotary club or district in consultation with the sponsor Rotary club or district, with coverage from the time of your departure from your home country until your return.
10. You must also have liability coverage through a travel insurance or other applicable policy, in amounts satisfactory to the host Rotary club or district in consultation with the sponsor Rotary club or district.
11. You must have sufficient financial support to assure your well-being during your exchange. Your host district may require a contingency fund for emergency situations. Unused funds will be returned to you or to your parents or legal guardians at the end of your exchange.
12. You must follow the travel rules of your host district. Travel is permitted with host parents or for Rotary club or district functions authorized by the host Rotary club or district with proper adult chaperones. The host district and club, host family, and your parents or legal guardians must approve any other travel in writing, thus exempting Rotary of responsibility and liability.
13. You must return home directly by a route mutually agreeable to your host district and your parents or legal guardians.
14. Any costs related to an early return home or any other unusual costs are the responsibility of you and your parents or legal guardians.
15. Visits by your parents or legal guardians, siblings, or friends while you are on exchange may only take place with the host club's and district's consent and within their guidelines.

3. Participants have to attend all district and club, sponsor and host, orientation meetings and trainings.

6. If you are offered an opportunity to go on a trip or attend an event, make sure you understand any costs you must pay and your responsibilities before you go.
